

A series of concentric, overlapping blue arcs of varying shades (from light blue to a darker blue) sweep across the left and bottom portions of the slide, creating a dynamic, wave-like background element.

Sustainability

URENCO in the post-Fukushima environment

November 2017

Disclaimer

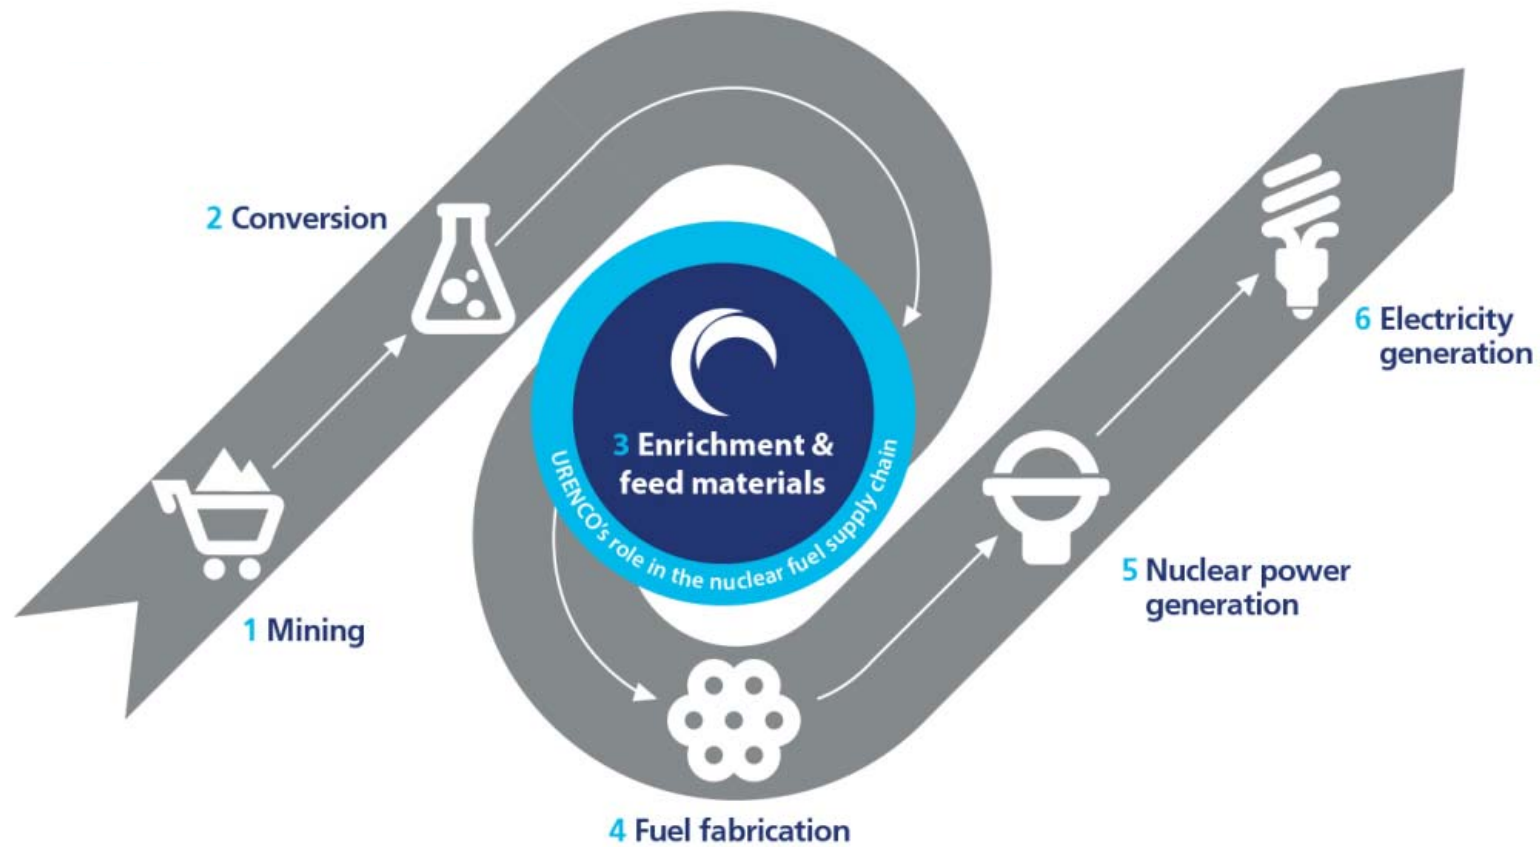

These materials have been prepared by URENCO Limited ("URENCO"). Any person or entity considering making any investment based upon information contained in these materials should ensure that they are properly, independently and professionally advised. These materials were designed for use by specific persons familiar with the business and affairs of URENCO and its subsidiaries and should be considered only in connection with other information, oral or written, provided by URENCO (or any subsidiary) herewith. These materials are not intended to provide the sole basis for evaluating, and should not be considered as a recommendation with respect to, any transaction or other matter.

The information in these materials, which does not purport to be comprehensive, has been provided by URENCO and has not been independently verified. While this information has been prepared in good faith, no representation or warranty, express or implied, is or will be made and no responsibility or liability is or will be accepted by URENCO or any of the URENCO's subsidiaries or by any of their respective officers, employees or agents in relation to the accuracy or completeness of these materials or any other written or oral information made available to any interested party or its advisers and any such liability is expressly disclaimed.

Certain statements contained in these materials, including any descriptions or statements regarding the possible future results of operations, any statement preceded by, followed by or which includes the words "believes", "expects", "intends", "will", "may", "anticipates", or similar expressions, and other statements that are not historical facts, are or may constitute "forward looking statements". Because such statements are inherently subject to risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements. Such risks and uncertainties include but are not limited to (a) risks and uncertainties relating to the nuclear industry, consumer demand, political and economic conditions and government regulation and (b) such other risks and uncertainties as are detailed herein. All written and oral forward-looking statements attributable to URENCO are expressly qualified in their entirety by the cautionary statements set forth in this paragraph, and accordingly any person or entity reviewing these materials should not rely on such forward-looking statements.

URENCO gives no undertaking to provide recipients of these materials with access to any additional information or to update these materials or any additional information, or to correct any inaccuracies in it which may become apparent.

Nuclear Fuel Supply Chain

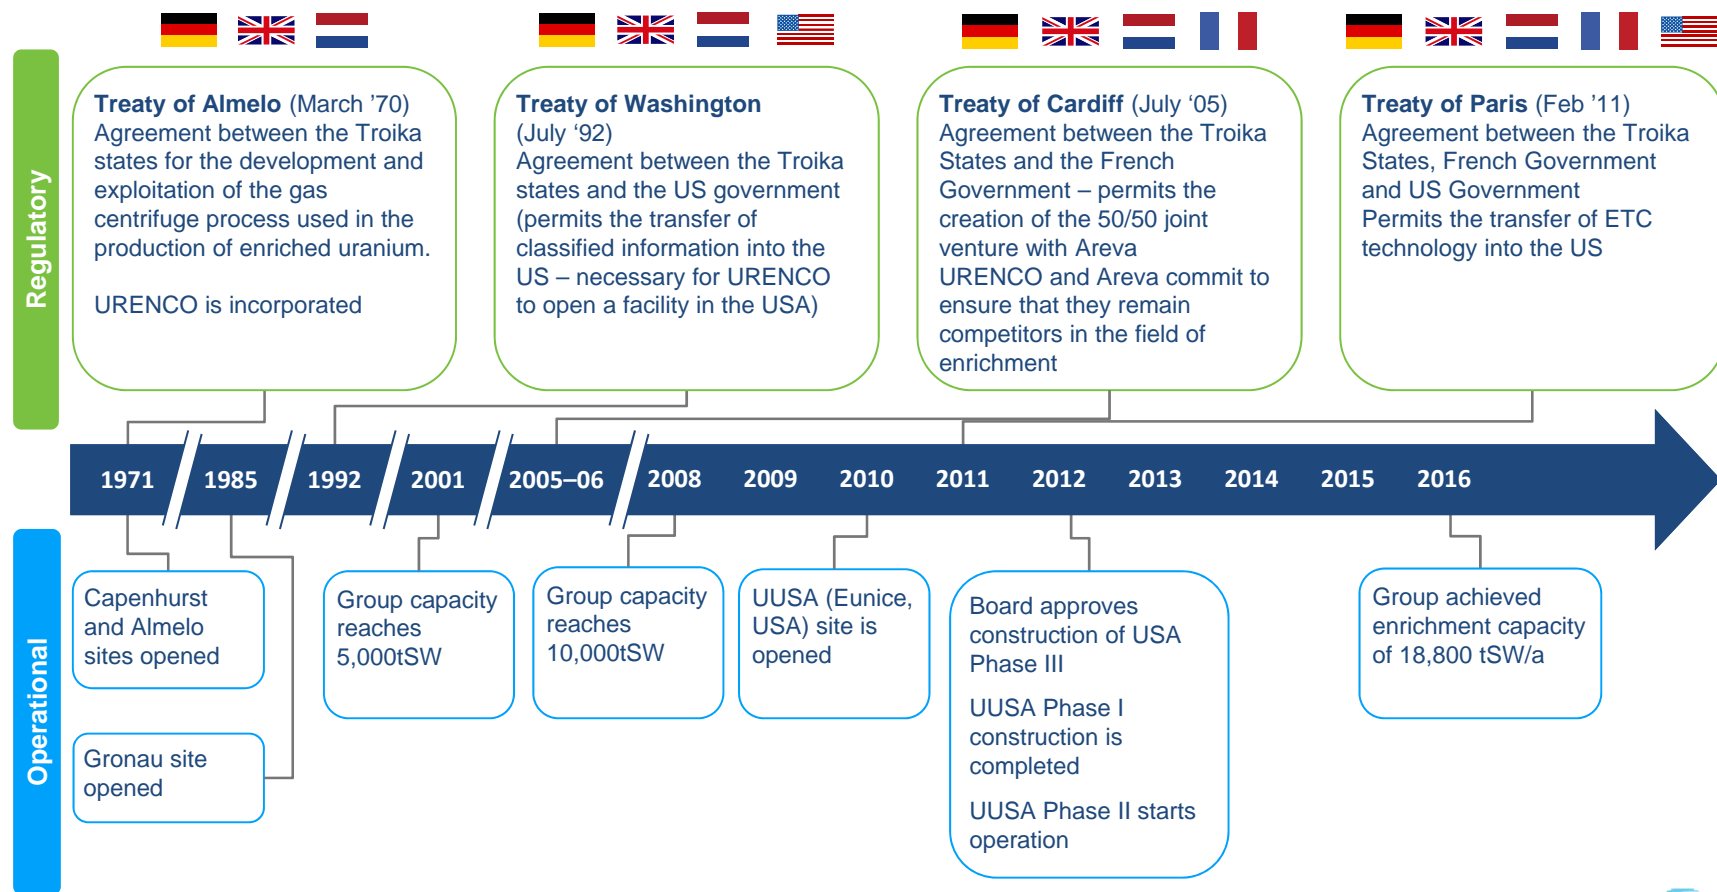

URENCO: An Integrated Supplier

URENCO: Group Structure

Timeline of URENCO key dates

URENCO: Global Supply

18,800 tSW/year

Almelo, The Netherlands
2015 Capacity: 5,400 tSW/year
2016 Capacity: 5,400 tSW/year

Gronau, Germany
2015 Capacity 4,100 tSW/year
2016 Capacity 4,000 tSW/year

Stoke Poges, United Kingdom

Capenhurst, UK
2015 Capacity: 4,900 tSW/year
2016 Capacity: 4,700 tSW/year

Eunice, USA
2015 Capacity: 4,600 tSW/year
2016 Capacity 4,700 tSW/year

Global Scope

ureenco

- 50 Customers in 19 countries
- €15.5 billion order book through 2030

URENCO

Steward of Depleted Uranium

Depleted uranium as UF₆

Tails Management Facility (UK)
UF₆ to U₃O₈ conversion

Long-term storage of U₃O₈
COVRA, UUK, UDe

U-Battery Single Unit

Approaches to Nuclear Fuel Supply

Diversity of Supply

Supply of
Individual
Components

(U3O8,
Conversion, SWU)

Supply of
Enriched Uranium
Product

(delivered to fuel
fabricator)

Managed Services
Approach

(one party
supplies and
delivers)

Long Term Contracts

URENCO: Working in Partnership

Thank you

Safety

We operate to the highest standards of safety, environmental and security requirements

Integrity

We conduct all our relationships with honesty, fairness and respect

Flexibility

We respond to best meet our customers' needs by flexibly deploying our skills and capabilities

Development

We are committed to the sustainable development of our business by continuously developing our employees, services and products

Profitability

We are committed to making profits to secure our future and reward our shareholders and employees
